Just got a new 18 450sxf and have a few questions.. I did the 280mm braking setup with cm46 pads, ordered full yosh, and made my own throttle cam mod for a 1/7turn throttle.2007 KTM 450SXF 2007 KTM 450SXF “This is a great bike—a great bike that is hampered by two corporate decisions: (1) The suspension settings are off the mark.search titles only has image posted today bundle duplicates include nearby areas altoona-johnstown (aoo) annapolis, MD (anp)CL. anok/chis/isa > motorcycles/scooters - by owner press to search craigslist. save search
