

Download A Field Guide To American Houses

A Field Guide to American Houses is aptly named. Just as some "field guides" identify species of birds or trees, this guide by Virginia and Lee McAlester provides everything you need to recognize housing styles in the USA. About A Field Guide to American Houses (Revised) Now in paperback: the fully expanded, updated, and freshly designed second edition of the most comprehensive and widely acclaimed guide to domestic architecture: in print since its original publication in 1984, and acknowledged everywhere as the unmatched, essential guide to American houses. Someday, I might like to own a house. And if I own a house, I want to be able to say with some certainty what style it is. So with those Very Important Dreams in hand, I purchased my very own copy of A Field Guide to American Houses. Now in paperback: the fully expanded, updated, and freshly designed second edition of the most comprehensive and widely acclaimed guide to domestic architecture: in print since its original publication in 1984, and acknowledged everywhere as the unmatched, essential guide to American houses.
