Of course you know that you have an astrology chart for your birth, but did you know that states, cities, countries, and corporations have charts too? The incorporation date is used to establish the city, state or corporation as a legal entity. A birth chart is then cast, usually for noon of the legal date. Countries can be more difficult ... Comment: Some history: Although this is the "second edition", this book dates back to 1976, when it was titled, America: An Astrological Portrait of Its Cities and States. In 1984 it was republished by ACS as Horoscopes of the Western Hemisphere, and included charts from Baffin Bay to Tierra del Fuego. Did you know that countries and cities are ruled by zodiac signs? A natal chart or birth chart is produced for a place when it's founded or established. For instance Great Britain's 'birthday' is the 25th December 1066, so it's Capricorn.
