[Mark K Moller] -- A timely review of the Court's recent decisions. This is the third volume of the Cato Supreme Court Review, an annual review of the most significant opinions of the Supreme Court of the United States. This volume includes cases from the term beginning in October 2003 and ending in late-June 2004. The latest edition of the Cato Supreme Court Review features a 96-page symposium on the Constitution during wartime. In this special section, Tim Lynch examines the liberties of American "enemy combatants," Neal K. Katyal defends the rights of the Guantanamo Camp X-Ray detainees, and Jonathan
