

Download Celine Dion : For Keeps

About the Author. Jenna Glatzer wrote the text of Celine Dion, which is produced by becker&mayer. Jenna is the author of 11 books and countless articles in national, regional, and online publications. You can also join the Honoring Nick Markowitz group to offer your support to Susan Markowitz (my friend and writing client), whose son's murder was the basis of the movie Alpha Dog. Celine Dion: For Keeps is a treasure in both design and content. The keepsake inserts (facsimiles of invitations, tickets, handwritten notes...) are rendered beautifully -- I haven't seen such craftsmanship since the Griffin & Sabine books.
