

# Download Colorful Bulletin Boards

Buy Forbo Bulletin Boards, Forbo Cork Boards and Forbo Bulletin Board, 15 Colors, factory direct, quick ship from North Sculpture Company in Brooklyn, NY. Rainbows are a great way to grab the attention of your students and spruce up an otherwise dull classroom. They also act as symbols of acceptance and inclusion, which is all the more reason to include them in your decor! More Ideas from ProTeacher Visitors! bulletin boards By: Jenn. I had pretty fun one last year. I put up a sheet of black paper and put on a colorful border. October Bulletin Boards By: Amy. Currently I have 2 math bulletin boards in my classroom: 1) Spooktacular Work - Halloween Bulletin Board, students' spectacular work is posted on the board.
