

# Download Contemporary Painting In Germany

44309 Street Art Gallery is a renowned art gallery and agency focused on promotion of street art, urban art, graffiti and contemporary art, widely known for its exciting indoor exhibitions often accompanied with outdoor activities organized in the surrounding area of the gallery, including large scale murals and installations. The gallery, originally from Leipzig, found a second home in Auguststraße in Berlin in 1992, and has since presented contemporary artists in a range of platforms, including media, film, photography, installation, painting and sculpture, as well as conceptual art and performance. a selection of contemporary art museums in germany  
Goetz Collection (Sammlung Goetz) About: Located in Munich, the Goetz Collection is the largest private collection of Contemporary Art in Germany. A list of pricey German contemporary art wouldn't be complete without a member of the Neue Wilde who brought the country's painting scene back on track in the 1980s.
