

Download Did They Think We Would Remember

This book is about legacies and the fact that even when we may think our life is ordinary, we are remembered. These people were not ordinary, but most thought they were. They didn't leave much to research; some didn't even leave photos. What they left were imprints in the people's memories. Did They Think We Would Remember? book. Read reviews from world's largest community for readers. This is a book about a unique place--a town filled with ...Buy Did They Think We Would Remember? by M. Jones (ISBN: 9780615119403) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. This is a book about a unique place--a town filled with Joneses, where the postmaster performed trapeze acts, the school superintendent composed marches, and a pair of identical twins created famous dolls. It is also a book about legacies and the fact that, even when we may think our life is
