

# Download First Weeks Of School : Laying A Quality Foundation

The first weeks of school lay the foundation for the whole school year. The more attention you pay early on to the concepts of community, character, and quality, the more time and effort you'll be spared later. This is one of the first steps to creating a caring, smoothly run classroom community. ItThe first weeks of school lay the foundation for the whole school year. The more attention you pay early on to the concepts of community, character, and quality, the more time and effort you'll be spared later. [Jane Perlmutter; Louise Burrell] -- "This is the story of Louise Burrell - as observed by teacher educator Jane Perlmutter - and the classroom she constructed during the first weeks of school. And it's the story of Louise's students, ...Based on the view that the first weeks of school lay the foundation for the remainder of the year, this book uses an ethnographic approach to present the story of one teacher and the classroom she constructed during the first weeks of school. The book's introduction explores beliefs about children and teaching and a view of theory and practice ...
