PATH: Lighting Your Way From Research to Writing. This 10 module research tutorial was created to assist you in all stages of the research process - from choosing a topic to citing your sources - to become more information literate! We help people connect to services, organisations and community groups who can help address those issues affecting mood and wellbeing. We help people overcome the barriers they face in accessing the help they need. Report Strategy March 2019 . Pulse of the Profession 2019. What's your PMTQ? Our Pulse of the Profession® research shows that organizations that combine technical skills with project management approaches drive more successful outcomes.
