

Download Independent Special Districts: A Solution To The Metropolitan Area Problems.

Gerrymandering is a practice intended to establish a political advantage for a particular party or group by manipulating district boundaries. The resulting district is known as a gerrymander (/ ˈdʒɛrɪˈmændər, ˈdʒɛrɪ-); however, that word is also a verb for the process. January 10, 2019 Water Regionalization Update. Des Moines Water Works has been an independent water utility since 1919. For 100 years, it has provided Des Moines with safe and abundant drinking water that has allowed the city to flourish. The Municipality of Metropolitan Seattle, commonly known as Metro, was designed to provide regional solutions for the problems of King County's fast-growing metropolitan area. A neighbourhood (British English), or neighborhood (American English; see spelling differences), is a geographically localised community within a larger city, town, suburb or rural area.
