

Download Insider's Guide To Sake

Insider's Japan featured in the Boston Globe. We're excited that our Insider's Japan tour was recently featured in the Boston Globe. On this hands-on, (and occasionally, shoes-off) cultural adventure, we visit dynamic Tokyo, the cultural capital of Kyoto, ancient Takayama, the castle town of Kanazawa, the 8th-century capital of Nara, and ...With dozens and dozens of festivals a year honoring everything from pop music and po-boys to tomatoes and Tennessee Williams, the city offers visitors an array of colorful events most every weekend. These art festivals celebrate New Orleans and the artists who call it home. Wander through galleries, dance to live music and sip cocktails in the streets. In Japan wordt sake koud (reishu ??), op kamertemperatuur (j?on ??), warm of zelfs heet geserveerd (atsukan ??), afhankelijk van de voorkeur van de drinker, de kwaliteit van de sake en het seizoen.
