The trickier application form questions can be daunting at first, but with some practice you can learn how to ensure that your answers impress recruiters. Some sections of a job application form will only need straightforward factual answers, such as your personal details or education history. Others, so, you're applying for a job and there's a question and answer section? This is a common way of sorting people out, and has proved to be a tricky obstacle to manoeuvre if you're not aware of the pitfalls it can offer. Employers screen job applicants in different ways and application forms are designed to incorporate some of these requirements more fully than is possible by reviewing applicant CVs. Depending on the position, job applications take many different forms and include a wide range of questions.
