

# Download Lee Friedlander At Work

Lee Friedlander (born July 14, 1934) is an American photographer and artist. In the 1960s and 1970s Friedlander evolved an influential and often imitated visual language of urban "social landscape," with many of his photographs including fragments of store-front reflections, structures framed by fences, posters and street signs. Lee Friedlander / Biography & Images art resources related historical, modern and cultural fine art themes quotes books & videos (YouTube). In the capstone volume of his epic series *The Human Clay*, Lee Friedlander (born 1934) has created an ode to people who work. Drawn from his incomparable archive are photographs of individuals laboring on the street and on stage, as well as in the field, in factories and in fluorescent-lit offices. Lee Friedlander is a renowned American photographer. The Museum of Modern Art exhibited a retrospective of his work in 2005. Teju Cole is a photographer and essayist and the author of two works of ...
