

Download Manpower Policies For The Use Of Science And Technology In Development

Global Journal of Human Resource Management Vol.3, No.2, pp.34-57, March 2015 Published by European Centre for Research Training and Development UK (www.eajournals.org)

The Ministry of Manpower (Abbreviation: MOM; Malay: Kementerian Tenaga Manusia; Tamil: ?????? ???????; Chinese: ??????) is a ministry of the Government of Singapore which is responsible for the formulation and implementation of labour policies related to the workforce in Singapore. Science and technology is a growing field in Pakistan and has played an important role in the country's development since its founding. Pakistan has a large pool of scientists, engineers, doctors, and technicians assuming an active role in science and technology. Advancing capacity and capability of Bruneians as well as maximising in-country value through: Drive and implement manpower policies and planning
