

# Download Microstation For Autocad Users: Beginner To Intermediate

One of the first barriers for AutoCAD users is the language barrier. I have delivered a document with the exercise files, located here, that compares the AutoCAD commands to MicroStation commands. This should help you to learn and identify the new language. Jeanne Aarhus builds on the concepts covered in Migrating from AutoCAD to MicroStation, and provides a comparison between corresponding intermediate features in MicroStation V8i-SS4 and AutoCAD 2018. Jeanne covers additional draw commands, shares techniques for working with text and dimensions, explains how to use measure commands, and more. Buy Microstation for AutoCAD Users: Beginner to Intermediate by Frank Conforti, Ralph Grabowski (ISBN: 9780934605632) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. Microstation V8i (Select Series 2) Windows 7 x64. Hello all, please excuse the rookie question(s), I am a solid AutoCAD user, and a beginner to intermediate MS user.
