

Download Political Thought In America An Anthology

Conservatism is a political and social philosophy promoting traditional social institutions in the context of culture and civilization. The central tenets of conservatism include tradition, hierarchy, authority, and property rights. Conservatives seek to preserve a range of institutions such as religion, parliamentary government, and property ...Pithy and powerful, poetry is a popular art form at protests and rallies. From the civil rights and women's liberation movements to Black Lives Matter, poetry is commanding enough to gather crowds in a city square and compact enough to demand attention on social media. The left-right political spectrum is a system of classifying political positions, ideologies and parties, from equality on the left to social hierarchy on the right. Hackett Publishing is an independent publisher serving the humanities since 1972.
