Your guide on this journey will be Peruvian shaman and world-renowned curandero (healer), teacher, and author don Oscar Miro-Quesada, who has emerged as one of the leading lights in pioneering this modern, yet ancient, path of Universal Shamanism. The primary purpose of the College of Inner Awareness, Metaphysical Studies and Spiritual Studies is to train and educate prospective leaders for metaphysical ministries and schools through Distant-Learning or On-campus Training. Seeing as this is an English 101 course, the second aim will be to develop skills necessary for students to be effective readers and writers. The cultivation of these abilities will not only aid students in their exploration of violence in literature, but in any other analytical work they may need to do in the future. Bear---T he Bear was one of the first animals to be revered by humans, as the Primal Mother as represented by the Goddess Artemis. Many Native American cultures believe that the Great Spirit lives through the bear and that it is a creature of the dreams of shamans and mystics.
