

Download The Optimistic Classroom Creative Ways To Give Children Hope

Optimism is a mental attitude reflecting a belief or hope that the outcome of some specific endeavor, or outcomes in general, will be positive, favorable, and desirable. What are the key features of creative teachers' pedagogical practice and just how do teachers teach creatively and teach for creativity, thus fostering children's creative learning in the 21st century? This chapter seeks to respond to these questions. The particular focus of *How Children Succeed* was the role that a group of factors often referred to as noncognitive or "soft" skills — qualities like perseverance, conscientiousness, self-control, and optimism — play in the challenges poor children face and the strategies that might help them succeed. *The A-Z of Therapeutic Parenting: Strategies and Solutions*. Sarah Naish, \$31.95. Therapeutic parenting is a deeply nurturing parenting style, and is especially effective for children with attachment difficulties, or who experienced childhood trauma.
