

Download William Henry Jackson Am

William Henry Jackson (April 4, 1843 – June 30, 1942) was an American painter, Civil War veteran, geological survey photographer and an explorer famous for his images of the American West. I am trying to find the marriage of WILLIAM HENRY JACKSON (HARRY) to ELIZABETH INGRAM around 1885 to 1895 in the Hessle district of Kingston upon Hull. I cannot find in Yorkshire BMD and according to the 1891 census they were living as married in Massey Street, Newington, Hull. There was also a birth in circa 1890 of FREDERICK JACKSON at ... William Henry Jackson 1843-1942 About William Henry Jackson is one of the most respected landscape photographers of the American West. His career in photography was one of the longest and most successful. William Henry Jackson, (born April 4, 1843, Keesville, New York, U.S.—died June 30, 1942, New York, New York), American photographer and artist whose landscape photographs of the American West helped popularize the region.
